

'Inspiring Confident Learners, Reflecting Christian Values'

Filey C.E. Nursery & Infants Academy Parents and Carers Behaviour Policy

The Governing Body, Headteacher and staff strongly believe that our school should be a welcoming and safe place for our children, staff, parents and visitors alike and that our parents share that belief. We have legal responsibilities for the safeguarding and wellbeing of children and staff, and a duty of care to all users of our school.

All adults who enter our site at any time set examples of behaviour and conduct which influence children and young people and we believe that they should therefore demonstrate high standards of conduct in order to encourage our pupils to do the same. Parents and carers must show respect to all other parents and carers and staff.

Adults who do not behave in an acceptable manner or use offensive language, may be asked to leave the site and the Headteacher has the right to further restrict their access
Behaviour which is regarded as unacceptable includes:

- Physical abuse, threatening, oppressive or aggressive behaviour or use of offensive language towards other adults, staff or children.

- Entering the school site under the influence of alcohol or drugs

- Smoking anywhere on the school site (including e cigarettes)

- Bringing dogs, with the exception of Assistance Dogs, on to the school site without the explicit permission of the Headteacher

School-related issues which parents or carers have concerning school, pupils or their families must be brought to the attention of a member of staff. Parents or carers must not try to resolve any issues themselves by direct action on site. If issues cannot be successfully resolved by speaking to a staff member, parents' and carers' correct course of action is to use our Complaints Procedure as appropriate. Parents and carers who have issues between themselves must not bring these onto the school site.

Thank you for your cooperation.
