

This is an outdoor playgroup. Every session begins with a children's story which then leads on to numerous free flow activities. There is sand to dig in, mud to play with, water to splash in, a chalk board to draw on, a den to hide in, a craft table to get creative on and a bug hotel to explore! As well as all of these areas there are also three tuff trays set up at each session with activities based around the story. This is an outdoor environment to stimulate senses and have some fun. Come in your wellies! Waterproofs are available for children to use during the sessions. They will be able to experience activities that will help to develop their senses, motor skills, creativity, imagination, concentration and manipulative skills all whilst having fun! **PLAY IS EVERYTHING!**
