

Friday 21<sup>st</sup> June 2024

Dear Parents/Carers

Miss Haldenby's class won the attendance award this week with 98% they of course celebrated with a box of Maltesers! Next week the lunch menu is following week 1, please see attached to this email. Please remember sun cream and sun hats now the weather is finally looking good! Please note: Nursery after school PE club will not take place on Thursday 27<sup>th</sup> June due to our school open evening.

### **Christian Distinctiveness**

Thank you to everyone who supported the Reception Enterprise event yesterday. The children were all very excited to share their work with family and friends. It was great to see so many people join us for this special event and share in the children's activities. 'Community, Compassion & Friendship' are our core values, which are at the heart of everything we do.

### **School Reports**

Today, children will bring home their school reports. School reports will include assessment information and the name of their class teacher for the next academic year. Please note that phonic screening results will not be sent home until Wednesday 26<sup>th</sup> June. Our current Year 2 children will have received information regarding year 3 from Filey Junior School. If your child is in Nursery and not due to move into Reception this September they will not receive a school report from Miss Hiley until next year when they are due to leave the Nursery class.

### **Open Evening**

Thursday 27<sup>th</sup> June 4pm – 6pm will be our school Open Evening. This is a great opportunity to visit your child's current class to look at books and ask any questions regarding the recent school report. It is also an opportunity to visit your child's new classroom and chat with their new teacher. Please remember although you and your child may be feeling a little anxious about the new upcoming academic year our transition day is there to hopefully alleviate any worries. From many years past experience this day is always a wonderful day with children going home happy and much more relaxed about the year ahead.

### **Year 2 Transition Days**

Our year 2 children will enjoy three transition days to Filey Junior School. These will take place on Tuesday 2<sup>nd</sup>, Wednesday 3<sup>rd</sup> and Thursday 4<sup>th</sup> July. Please bring year 2 children to our school as normal on Tuesday 2<sup>nd</sup> July, we will walk them to the Junior School in the morning and hand them over to their new teachers. You will need to collect your child from the Junior School on Tuesday & Wednesday at 3.30pm, you will also drop them at the Junior school both Wednesday and Thursday mornings. **On Thursday afternoon, the Junior School staff will walk the year 2 children back to our school so you can collect them as normal from us at 3.05pm.**

### **Whole School Transition Day**

Thursday 4<sup>th</sup> July is our school transition day for all other year groups. You will drop off and collect your child at the normal place; your child's new teacher will collect them and take them to their new classroom after registration and return them at the end of the day. Nursery children moving into Reception will have received a letter with more information, if you have any questions please phone the school office.

### **Job Vacancies**

We currently have some vacancies advertised on our School Website: These positions include a midday supervisory assistant, two cleaners and a caretaker. Please follow the link below for more information: <https://fileyinfants.ebor.academy/careers-vacancies/>

### **Nursery News**

This week in nursery, we have been enjoying the sunshine and have spent lots of time playing and learning outside. We built some wonderful dens to shelter from the sun and made sure the flowers and vegetables have been watered. Some of the older children have been on the climbing frames down on the main field and the younger children have been to 'Big Red' to read and choose a book.

### **Reception News**

This week in reception, we have been very busy getting ready for our Pirate Enterprise. We used lots of our maths skills when baking buns and transformed them into "treasure" with buttercream icing and golden sprinkles. We also made sandwiches and chose to cut them into triangles. Posters were made telling people all about our enterprise and labels were written so everyone knew where to go. We love to sing and so we learnt a special pirate song with lots of actions. Everyone was excited by Thursday afternoon when our grown-ups arrived. We sang our special song, listened to pirate stories, went on a treasure hunt and ate the delicious food we had made washed down with pirate punch. We all had a wonderful time!

### **Year One News**

This week year 1 have been busy writing recounts of their trip to Glen Gardens in literacy. In maths we finished our learning about money and have just begun learning about time. During RE we continued our learning about caring for people around us exploring the Christian parable of The Good Samaritan. In PSHE, the children thought about taking steps towards goals. They tried to instruct their teacher to help them in achieving their goal of making a jam sandwich with varying (and sticky) success! In music, we have been exploring musical phrases within songs that we know. During History, we have been learning about some significant explorers, including Captain James Cook and are just starting to learn about Earnest Shackleton.

### **Year Two News**

This week the children have been writing about their class story. In maths, the children have continued with problem solving activities. Sports day practice has started in our PE lessons and this has linked nicely to our science work, thinking about being healthy and active. In PSHE, the children have been learning about how they change as they get older.

Thank you for your continued support, if you have any questions or concerns please just ask. We are here to help however we can.

Best Wishes

Mrs Angela Clark
