Reception News

Reception have had a fun week of learning this week, we have been busy making the final preparations for our Pirate enterprise. Thank you to all who were able to come, we had a great time sharing all our pirate creations with you. In literacy we have been reading the story of 'A house for Hermit crab' and in RE we have continued exploring parables told in the bible. In PE we have been practising our races ready for Sports Day and in Music we had a go at performing body percussion to Hans Zimmer's Pirates of the Caribbean soundtrack.

Year One News

We had a fabulous time at Glen Gardens on Tuesday! Everyone had a fantastic day completing different team challenges and games. We have started using our trip to plan a recount piece of writing in Literacy. In maths this week we have been looking at positional and directional language. We are continuing our DT project working towards designing and making a mini shelter model inspired by Ernest Shackleton. In PSHE we are still talking about big and little changes that can occur in our lives and thinking about how they make us feel. In RE we have been thinking about caring for others. This week we learnt about the Islamic story of Be My Guest which supports Muslims to think about how to care for others.

Please remember that Miss Ghorst's Class will not be swimming next week due to transition day.

Year Two News

This week in literacy Year 2 have been writing recounts about their visit to Wydale Hall. In maths they have been exploring problem solving activities, applying all of their maths learning from the year. During DT they tasted different salad vegetables and decided which ones they liked and didn't like. In their RE lesson they learnt about the features of a Mosque. During PE they have been practising for Sports Day. In PSHE they have been thinking about changes and transitions and discussing different strategies to help them to deal with change.
